RENTAL INFORMATION

WELCOME. Thank-you for considering us for your next function. We hope to provide those who enter our doors with friendly hospitality that will allow them to feel at home here. We only use our full capacity on Sundays. The rest of the week we have space we are willing to rent.

RENTAL RATES. The Cedar Park Church facility can be rented by families, organizations, businesses and government. Our rental rates reflect market rates because we are not permitted to use our non-profit status to compete with local businesses. Revenue Canada does, however, allow us to offer a discount to rental users that help us fulfill our purposes as a church. Thus, we make a discount available to all applicants that meet this criterion, not just our own members.

STAFFING. We can accommodate evening and weekend bookings by providing a security host for your event. When you rent our kitchen, you can bring your own food or hire a caterer. We provide audio-visual technicians for the sanctuary. If you need help scanning pictures and creating a DVD, our technicians can assist you. You are also welcome to bring your own presentation. This must be on a memory stick or DVD, no later than the day before your event. You won't be able to link your computer to our sanctuary equipment. Every meeting room has free Internet, and you are welcome to hook up your own presentation equipment in the meeting rooms. Our custodian does the major set-up and take-down.

CATERERS. Caterers are welcome to use our kitchen. We provide a kitchen supervisor who knows where everything is and can help run the equipment safely. Let us know if you need extra staff in the kitchen to help make your event a success.

BOOKINGS. We want to ensure that the events we book are consistent with our religious beliefs and are respectful of the neighbors who live in the residential area surrounding our church. We therefore retain the right to make bookings at our discretion.

We want our rental users to be protected in case of accidents so we require rental users to have their own liability insurance. The options are 1) adding a rider to your homeowner's policy, 2) using your business insurance or 3) purchasing special event insurance. All bookings are done through our church office. If you intend to advertise a proposed event, please ensure you have secured the dates with us by providing a damage deposit before you begin the advertising.
